**Amendment to NASA Research Announcement**

NASA Specialized Center of Research and Training  
for Advanced Life Support

**The deadline for NRA-01-OBPR-04 Notice of Intent (NOI) submission has been extended until August 23, 2001** due to prior difficulties with the on-line submission system. If you have already successfully submitted a complete NOI, there is no need to resubmit.

**THE DEADLINE FOR PROPOSAL SUBMISSION REMAINS UNCHANGED: OCTOBER 16, 2001, 4:30 PM EASTERN TIME.** Also, proposals (unlike NOIs) must be submitted in printed form (15 paper copies plus a signed original).

The following schedule supercedes NRA-01-OBPR-04, Appendix A, Section V, Part F:

Notice of Intent to Propose Due	August 23, 2001
Proposal Due	October 16, 2001
Selection Announcement	January 2001
